[en|it|bg|tr|el|es]Author : Sifu Freddy FungGrandmaster Ip Man actively promoted the art of Wing Chun in Hong Kong after arriving from Foshan, Mainland China. As it is my great luck to learn Wing Chun from Ip Ching, the son of the great Grandmaster Ip Man. I find the honor of being Grandmaster Ip Ching's close disciple brings the responsibility of honoring Grandmaster Ip Ching's wishes to further develop Wing Chun. Because of this responsibility, I established Luk Yeung Ving Tsun Kung Fu Academy and have opened several Wing Chun classes in Hong Kong. These locations include Hong Kong Island, Kowloon, and the New Territories. Many of my students that began learning in these classes are now Wing Chun instructors.
