PORTRAIT OF A KUNG FU MASTER

by Ip Ching and Ron Heimberger

Translations by Eric Li

Paperback edition

Now printed in three languages:

English, Italian, and Farsee (Iranian) This book paints a portrait of the famous Wing Chun Master, Ip Man. This portrait, woven from stories about Ip Man shared by his son, provides a set of 15 principles as a guide to mastery. While there are broad lessons to be learned from this portrait remember to savor the details. Many of the great figures of history are shrouded in the mists of aggrandizement, but here the details, the fine strokes of the portrait have remained to show the humble seeker something about the life of a master.
